Discover The New Mode Of Ocp Call For Tender Announcement

Today, the new mode of call for tender announcement is part of OCP's commitment to optimize collaboration with its existing and potential suppliers and partners. OCP's approach aims at developing reliable, sustainable and mutually beneficial relationships with all its suppliers and partners.

ACCESS TO THE e-supply PLATFORM

Starting from 15 December 2014, you will have full access to all of the Group's current or upcoming calls for tender* in the pre-launch phase, directly through **OCP E-SUPPLY Purchase** platform, or via the link <https://tenders.ocp.ma>. You can participate for those that are of interest to you.

The Group has already implemented on last October 2013 the **OCP E-SUPPLY Purchase** platform giving its suppliers and partners access to an on-line collaboration solution. The platform is fully digitized and help optimize transactional exchanges, as part of OCP's process re-engineering & digitization policy.

ELIGIBILITY

Starting from 15 December 2014, you can participate to any OCP's call for bids. For it, you need to meet three conditions :

1. Consult the list of OCP tenders** that will be in the pre-launch stage.
2. Identify the call (s) to tender you think you are able to meet, given the expertise of your company and similar reference projects you have.
3. Fill in, through the OCP E-SUPPLY Purchase platform, all needed information and details for each tender, that support your eligibility to meet OCP's specific need.
